DETAILED ACTION

Response to Amendment

1. Applicant's amendment filed December 8, 2006 has been entered. Claims 1-5 are pending in the instant application.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: the prior art does not teach or suggest a process for making a skate frame having a shoe load introduction portion and a plurality of longitudinally aligned wheels including,

forming a first skin on a mold,

placing a core material on the first skin such that the core material is absent from the shoe load introduction portion,

forming a second skin over the first skin such that the core material is positioned and sealed between the first and second skins or layering a decorative sheet over the core material to seal the core material between the first skin and the decorative material, and

curing the frame.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Art Unit: 1732
